The list for each calendar quarter is to be filed by the tenth day of the succeeding calendar quarter (e.g., January 10 for the quarter October—December, April 10 for the quarter January—March, etc.). The list shall include a brief narrative describing what issues were given significant treatment and the programming that provided this treatment. ... The lists described in this paragraph shall be retained in the public inspection file until final action has been taken on the station's next license renewal application.” At the time of inspection, the agent determined that the public inspection file did not contain two quarters of the issues-programs lists from 2008 to 2009.
